

The Osbourn Athletic Hall of Fame

**Facilitated by the Osbourn Alumni Association,
the Osbourn Athletic Boosters,
and the Osbourn High School Athletic Department**

The purpose of the Osbourn Athletic Hall of Fame is to recognize, preserve, and honor outstanding athletes, coaches, teams and individuals who have made significant contributions to the athletics tradition of Osbourn High School.

The nomination of individuals for induction is very important to the Athletic Hall of Fame process. Please read the following instructions carefully to ensure your nomination is complete and complies with the selection guidelines.

Nominee Eligibility:

1. Those who have achieved excellence in athletics at Osbourn, have graduated from Osbourn, and have reached the age of 30 years of age or older meet the minimum requirements for eligibility. The following additional criteria may be considered:
 - Individual accomplishments within a sport(s) are essential (all-state, all-region, all-district, all-area, all-star selection, state records, school records, post-secondary athletic scholarship/participation, professional career).
 - Contributions made to the success of a team(s) is also important (team state championship, team region championship, team district championship, team record).
 - While athletic achievement is the focal criteria, moral character, good citizenship, and impact on the world of sports, during and after the athlete's time at Osbourn, will be taken into consideration.
2. Those who have advanced and enhanced the concept of athletics at Osbourn through their talents as coaches, administrators, or contributors may also be considered. The coach, administrator, or contributor must have served Osbourn for at least five years and may not be a current employee at Osbourn.

Inductee Selection:

Nominating an individual does not guarantee they will be selected for induction. All nominees go through a stringent screening process. The nominator may include other

relevant information to be considered such as letters of reference, statistical highlights of the nominee's career, and/or other information that, in the opinion of the nominator, demonstrates that the nominee deserves to be inducted into the Osbourn Athletic Hall of Fame. Selections for induction are made by the Osbourn Athletic Hall of Fame Committee of the Osbourn Alumni Association. Nominations may be made throughout the year. To be considered for the spring season induction, the nomination form must be received by November 1. Any nomination forms received after this date will be considered for the following year. Nominations will carry forward for five consecutive years from the original date of nomination. If the nominee has not been selected for induction during that time frame, the individual must be re-nominated for further consideration.
